

End of Sale Notice

SKALA iPad in Stand Announced October 8, 2026

This notice announces the End of Sale for the SKALA iPad in Stand, including all AQUALAB instrument bundles that ship with an iPad.

Life Cycle Events	Date
End-of-sale Date	November 30, 2026

Product Lifecycle Status

Addium is discontinuing the sale of iPad hardware for SKALA Control. AQUALAB instruments remain available with SKALA NEXUS, and SKALA Control continues to run on customer-supplied iPads.

Ordering and Availability

Final orders for the SKALA iPad in Stand and all iPad bundles must be received by November 30, 2026. No new orders will be accepted after that date. Remaining supply is limited and will be filled first-come, first-served.

Service and Support

Addium does not provide iPad hardware service, repair, or replacement, and no service period follows the End of Sale date. Contact Apple for iPad hardware service. SKALA Control software support is unaffected by this notice.

Replacement Product Guidance

Current owners can continue using SKALA Control on their existing iPad. For new purchases, customers can run SKALA Control on their own iPad, connected to the instrument through SKALA NEXUS.
